

## DiskOnChip Millennium 8MB TSOP-II Extended Temperature

### Description

M-Systems is announcing the End of Life (EOL) of the following DiskOnChip product:

EOL Product		Recommended Replacement	
Product Name	Ordering Info	Product Name	Ordering Info
DiskOnChip Millennium 8MB TSOP-II Extended Temperature	MD2810-D08-X	DiskOnChip Millennium Plus 16MB TSOP-I Extended Temperature	MD2811-D16- V3Q18-X

### Reason for EOL

The above product is being discontinued due to the availability of a more cost-effective alternative product.

### Schedule

Last order date (for existing customers): October 15, 2002

Last shipment date: December 1, 2002

### Call for Action

Customers using the above EOL product are requested to evaluate the replacement DiskOnChip product listed in the table above or to consider other alternatives, as listed in the DiskOnChip Product Availability List.

### Compatibility Issues

DiskOnChip Millennium Plus 16MB TSOP-I, which replaces DiskOnChip Millennium 8MB TSOP-II, provides a TSOP-I form factor that complies with the current industry standard. Please refer to application note 056, *Migrating from DiskOnChip Millennium 8MB to Millennium Plus Devices*, for detailed information about the migration path.

Please contact your M-Systems representative or visit our website ([www.m-sys.com](http://www.m-sys.com)) for any further information or assistance.
